Sir,

I have the honour to submit herewith, for the early orders of Government a copy of the resolution of the Minor Municipal Council of Arakalgud requesting that the powers referred to in Section 144 and 145 of the Municipal Regulation may be applied to that Minor Municipal Council in view to taking prompt action within their jurisdiction should plague visit the Arakalgud town, as it is now existing in an epidemic form at Hosenarsipur. The Council and the Local Officers found it hard to get the infected houses evacuated speedily when plague appeared in the previous seasons and it therefore appears very desirable that the powers asked for should be made applicable to this Municipal Council. I request that early orders of Government may be obtained, in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

B. Venkoba Rao

Avakalgud, being a minor mul cl, is excepted from the operation of provisions of sections 144 & 145 of the mul Regn (vide 1st para)

Section II - page 7 of the G.O. dated 25.3.24 is intended to supply in hilly areas. It is perhaps necessary that the mul cl should know that the results of the practical working of the instructions contained in the afore-mentioned G.O. have not been successful or encouraging & that more drastic measures are necessary to deal with the situation in such small areas, it seems that every as far as possible pro-active measures should be kept in view in the suppression of epidemics compulsory action being taken in extreme cases.
